

What is an LIT?

LIT's are campers with extra responsibilities and activities. They may be campers grades 5+ who are chosen by staff to be camp leaders. Being an LIT is an earned privilege. Throughout the summer it is the goal of LIT's to gain leadership experience and gain knowledge in leadership qualities.

LIT's will have the opportunity to take part in Youth Strength Training classes, create camp bulletin boards, assist the camp counselors in daily tasks, and have experiences in other program areas of the camp which will be excellent opportunities to work on customer service skills they will use in upcoming years.

Summer camp is an excellent place for my son. He has made some great friends over the past few years and looks forward to seeing them again. The program has such a variety of activities, and the field trips are great. The staff is also wonderful with the kids.
